Additional Details and key dates:

- Luggage fees by the airline is not included. Porterage of luggage, skis, etc is not included by Snow Tours, Inc. Currently airlines are charging \$40.00 for the first suitcase and \$50.00 for the second bag, if weighing no more than 50lbs. However, these prices are subject to change in 2025. Overweight and extra luggage will be charged by the air carrier. This luggage fee may change at any time without notice.
- I always recommend people rent skis/poles and bring their boots. I will find a rental place to get a discount for our club. Traveling with skis/poles comes with additional logistics and sometimes issues at airports. There are always exceptions for people wanting to bring their own but I try to limit those exceptions.
- Due to the early flight on Saturday, February 22nd, I have booked a shuttle service to and from JFK for about \$100 pp. Currently I have 15 people booked but can add more if necessary. We can arrange to park our cars somewhere local while we are traveling.
- Any additional side trips are not included.
